

**The Ocean Place Resort and Spa** held a distinctive FAM event for meeting planners in the Tri-State area on June 4-5, 2010. The event was the perfect opportunity for planners to check out the exquisite facilities at the Ocean Place, the fabulous beach and the chic shopping experience at Pier Village!

Craig Neier Associates assisted with an exceptional Movie Madness Team Building Event as well as the musical entertainment. A spectacular reggae duo was featured on the patio during dinner and a fantastic Jimmy Buffet Tribute Duo performed on the beach during the bonfire.

The Movie Madness Team Building Event gave participants a chance to experience all the hotel itself has to offer; as well as the opportunity to explore the nearby Pier Village and its unique shopping and dining choices. The participants all had a wonderful time and the event was a complete success! For hotel accommodations and inquiries, please contact the Ocean Place at (800) 411-6493.

For any music, entertainment, event planning, team building, fundraiser, gala and wedding inquiries, please contact Heidi Francus at Craig Neier Associates at (973) 227-8787. ■
